Visitors! We hope you will find a warm welcome here. We invite you to consider membership in our church family. Childcare is provided during worship. Children from birth to age 2 may be taken to the infant room, and children age 3 through Kindergarten are welcome in the toddler room. Laurie Davis is the Nursery Coordinator (MusicMomNJ@comcast.net).

Our congregation is very happy to have children participate in worship with their family as part of our church family! “Worship bags” containing quiet faith activities are available in the narthex for children to enjoy during worship.

Hearing devices are now available for your convenience in the narthex. The ushers can assist you.

We thank those who are serving today in these ways:
The Flowers in the chancel today are given in loving memory of Bob Shimer from the family.

~ CHRISTIAN EDUCATION ~

Adult Education: Join the group in Room 1 as we go through the Bible. We have read “Obadiah”, “Philemon”, “II John” and look forward to reading another book “III John” next Sunday, November 24, in Room 1 with Dr. Gretchen Hull. So come out at 9:15 a.m. next week—we’ll see you there!

Thank you to everyone who attended our Open House and Parent Program last week. We were so happy to be able to share all the wonderful things we do here at CPNS. It's our job as parents and educators to provide the necessary tools for each child's appropriate development. Sharing the discussion with our family and friends on the topic of teaching young children in the media age provided an opportunity to look at our practices at home and in our classrooms. Media culture forms an increasingly central part of our children's experiences and it affects how children learn and understand the world around them. The more we understand how today's media culture influences our children's development, learning, behavior, relationships and ideas about the world, the better equipped we are to build on the positive aspects of media and counteract the negative ones. As parents and educators this is a very important topic and a discussion that I'm glad we were able to share, thank you for attending.

Registration for the school year 2014-2015 will begin in January. Please let your friends and neighbors know about our school and encourage them to contact us. It's never too late to join our CPNS family. If you are not currently a CPNS student or are attending kindergarten for a half day program you are also welcome to participate in any of the enrichment classes that fit into your schedule. Many of our CPNS students are already registered, but if you haven't registered your child or want to add more enrichment classes, we still have openings, it's not too late. We also have a few openings in our regular classes as well. Details can be found on our website, www.cranburypres.org or please call Janice at 609 655-8663.

~~ DEACONS ~~

The Deacons are asking for your help to help others....As the time for filling Thanksgiving baskets draws near, we need many hands to help us achieve our goal. Please try to find some way in which you can help us.

Cash donations and food donations are welcome. We also need empty copy paper boxes and green cloth shopping bags. The week before Thanksgiving we will need people to help fill boxes and get everything ready for pick-up. There are sign-up sheets on the Deacons bulletin board in Fellowship Hall with dates and times. **PLEASE SIGN UP TO HELP.**

Mission of the Month: NAMI Mercer

The Presbyterian Serious Mental Illness Network (PSMIN) welcomes those who advocate in the church and greater community for those who have been touched by mental illness. They seek equity, justice, human dignity and full acceptance into the life of the church. Our church in Cranbury is supporting the same mission through our volunteerism and financial support of NAMI Mercer.

“Comfort, O comfort my people, says your God.”
Isaiah 40:1 (NRSV)

The Comfort My People policy statement on serious mental illness by PSMIN is “We walk in faith with Christ who stepped over social and religious boundaries and dared to touch and heal the lepers of his day. Like the Prophet Isaiah, we are called to be faithful companions of the Lord by breaking down dividing walls that exile us from each other, and celebrating the gift of community for all people.”

The first step in helping ourselves, our loved ones, and our community is to learn all that we can about mental illness. Since many people tend to fear and shun what they do not understand, education is the best way to clear up misconceptions, eliminate stigma, and break down barriers to treatment and recovery.

The definition of mental illness: *Mental illness is a health condition characterized by changes in a person's thinking, feeling, and/or behavior that result in personal distress and difficulty in daily functioning and in relating to others.*

Just as diabetes is a disorder of the pancreas and anemia a disorder of the blood, mental illnesses are brain disorders that interfere with managing the everyday demands of life. Unfortunately, many people continue to see "mental" functions and "physical" functions as distinct, when, in fact, the mind and the body are inseparable. When we understand more about mental illness, we challenge stigma and support the causes which lead people to lives of recovery. This is why our church supports NAMI Mercer and their efforts to educate, support and advocate for those families affected by mental illness.

Snippets from The Year Book of Prayer: One of the Presbyteries near to us is that of New York City. To read of the involvement of their several churches is an impressive journey. Faith Presbyterian Church in Maspeth, Queens, has outgrown its building and now rents additional commercial space for its blossoming ministry to Korean Americans. Olive Presbyterian Church in Staten Island converts its only church school classroom into an eight-bed-women's' shelter and provides opportunities that bring congregation members and shelter guests together. Madison Avenue Presbyterian partners with the Harare Synod Church of Central African Presbyterian in Zimbabwe for mutual strengthening of each other's ministries. The First Presbyterian in Jamaica, Queens attracts neighborhood families through its midweek LOGOS ministry, a players drama group and strong community presence. Obviously the Presbyterians in the NYC area are making a healthy contribution to people here and people abroad.

Skeet's Food Pantry is looking for small new gifts (for all ages) to be given out on December 13 with their monthly food distribution. Thank you.
